WORLD FOOD DAY, AKAL ACADEMY

WORLD FOOD DAY is celebrated every year on 16th October globally and at Akal Academy, Baru Sahib. On this day students learn a very imperative lesson of their life, to not waste food and feed those who sleep hungry. Asia has the maximum population of people sleeping hungry everyday and we have to commit to eradicate the hunger from our surroundings.

VIDEO SHOW 3RD Grade Students

This day was observed at the IB school where a video with a very strong message was showed to the students of grade 3 on the projector screen. The message was 'not to waste food'. The video also included facts like- 60% of the women in the world are suffering from hunger. Many people die from hunger instead of Malaria, Aids and TB. Every 5 seconds a child dies with hunger related disease. We have to commit to eradicate the hunger from the surroundings and more.
